

APAO Environmental Award Nomination Form

The APAO Environmental Award recognizes hot mix asphalt production facilities that best demonstrate safe and responsible environmental practices. Facilities are judged on the progress they can demonstrate in any of the following areas: clean operation, layout, noise and visual management, employee education and awareness programs, crisis management programs and public/community education awareness activities.

Instructions:

1. Complete the attached entry form. You do not have to complete all sections – only those that are applicable.
2. Include a brief description of the facility (one page maximum) including any unique features, challenges, or activities. You may include photos if you wish. Photos may be sent digitally on a CD.
3. All completed forms and supporting information need to be submitted to the APAO office no later than **October of the nomination year**
