	Liquid Asphalt Samples			
	Asphalt Cement Supplier: Grade: _____			
	Temp / Viscosity Curve			
	Complete JMF			
	Other: (Describe)			

### Shipping Instructions:

- If multiple blends are to be tested, package and label each blend separately. (e.g. Coarse Blend, Fine Blend or Blend 1, Blend 2 etc.)
- Provide a copy of the complete JMF for each blend being tested.
- Do not batch RAP with virgin aggregates, these materials are not blended until after they are heated for mixing.
- Include mixing instructions for specialty items such as polymer treatments, mineral fibers, etc.
