ASPHALT PAVEMENT  
ASSOCIATION OF OREGON

## Associate

Associate Members may be any individual, partnership, corporation, or other business entity that provides materials, goods, or equipment used in the manufacture, transport, or placement of asphalt pavement. The Board of Directors ("Board") of the Asphalt Pavement Association of Oregon (APAO) is the sole judge of the qualifications and classification of members. By submitting this application, prospective members agree to pay all applicable dues in a timely manner, not engage in conduct detrimental to the Association, and comply with the Association's Bylaws. The Board votes on membership applications at the board meeting following receipt of the completed application and any additional information requested of the applicant. Applicants are notified of the vote results.
